- STEP 10. Take your application to your local ABC administrator and obtain their signature of approval on your state application.

The longer your state application sits in the Local office pending approval the longer it will take the state to process your application. Therefore, it is to your advantage to forward your state application to Frankfort as soon as possible.

 Visit our web site for a list of the Local Administrator in your area at http://abc.ky.gov/
- (TIME) New licenses take the State Office approximately 30 60 days to process. If your license is not issued for any reason, you must submit a <u>written request for a refund</u>. The Office will retain \$50 of your application fee for processing costs.

If you have any questions or need assistance, please contact our Office or visit our web site.
